THE LEGEND OF ROBIN HOOD

HOME FROM THE WAR (PART TWO)

To the joy of everyone, Robin had returned, Back from the Holy Land with much to learn, For he did not know that Gisbourne, Had left him there for dead, So, he would have his woman and be Earl instead.

As for Marian, a future was revealed, Where she would find her Robin once again, Showing him the sorrows in a world he could not see, And bringing him back to himself.
